GENERAL INFORMATION

UNIVERSITY SWITCHBOARD 321-0111

FIRE & OTHER EMERGENCIES
SECURITY DEPARTMENT 321-1212

ON CAMPUS CALLS: Dial the 4-digit number in this directory.

INCOMING CALLS
Outside callers can reach your telephone direct by dialing the 7 digit number of your assigned telephone. These calls bypass the switchboard. *example: 321-(and your assigned number).

OUTSIDE LOCAL CALLS
Listen for the dial tone, then dial "9". Listen for the second dial tone before dialing the desired 7 digit number. Note: Dialing before dial tone is heard, can result in your reaching a wrong number of your number may not ring.

TRANSFERRING INCOMING CALLS
Depress the receiver hook momentarily ONE time. This will give your operator a signal to transfer the call. Stay on the line and give the operator the name or number to which the call is to be transferred. Please remember to inform the individual calling that you are transferring his call to someone else, giving the name of the individual who is to receive the call. CALLS PLACED OUTSIDE CANNOT BE TRANSFERRED.

TO REPORT A TELEPHONE OUT OF ORDER
Dial "9" plus "114".

MEMPHIS STATE OPERATOR
Dial "0" to reach the University Central operator. The Operator will answer: "May I help you?" She will assist you in reaching an extension if trouble is encountered, or in furnishing information pertaining to the communications system.

This directory has been compiled through the efforts of the University Center Program Office and the Data Processing Center. Information on faculty, staff and students reflects listings as they appear in the Records Office and the Data Processing Center. Any change or corrections should be reported to those offices as appropriate. Changes in telephone numbers or extensions should be reported to the campus operator also.

Coke has the taste you never get tired of.
Popcorn. Salty and crisp and good.
It makes you thirsty right away.
Coke can take care of that.
The refreshing taste of Coca-Cola,
ice-cold. It just makes things
go better.
Coke after Coke after Coke.
